What Social Issues Matter to Us?

One of the actions in the church's Strategic Plan is to 'Develop ways to raise awareness of social issues including, peace and justice, locally, nationally and globally; to be a good neighbour to people in need and to challenge injustice.'

To help the Community Services Committee to identify issues to focus on, please tell Roger Collins or Pam Waddell any social issues that you are already involved in acting on, where we could add support, or issues that you feel the church should take action on.

Flowers

Thank you so much too for all your support for the Flower Fund. It is appreciated by everyone. Thank you. Sandra
