Christian Aid in Gaza
Christian Aid has been working with the poorest and most vulnerable people in the Middle East since the early 1950s, when we provided humanitarian relief to Palestinian refugees. Christian Aid established partners in Gaza are responding as best they can, under intense pressure, with medical relief and community-led initiatives such as food, shelter, sanitation and cash. However, it is extremely dangerous to move around, and supplies of essentials are running perilously low. In southern Gaza, our partner is responding to those most recently displaced to south Gaza as a result of the war.Follow the link or QR code below to Christian Aid's website where you can make a donation and sign the petition calling for an end to violence.
