

Founded in 1985, Fullers Finer Furniture has established itself as one of the leading manufacturers of **bespoke** church furniture.

Based in Weston-super-Mare, examples of our work can be seen in places of worship **across the country**; from Lecterns, fonts and communion tables through to complete re-orders.

The ethos of the company is to design and create beautiful **quality** items of furniture and consultation with the client from the concept stage to the finished article is an all important part of the process. We are happy to assist with every stage of your enquiry, from ideas and designs through to the finished article and we aim to achieve nothing less than 100% client satisfaction.

Proprietor **Paul Fuller** has won medals for his cabinet making skills, coming top in the country three times whilst serving his apprenticeship as part of his City and Guilds Institute qualifications. The company is a member of **The Guild of Master Craftsmen** and Paul himself is a member of **The Worshipful Company of Furniture Makers**.

Here at Fullers Finer Furniture we **pride** ourselves on our top quality craftsmanship and attention to detail. Every piece of furniture is handmade to order and **maximum care** is taken to produce top **quality** items which will stand the test of time.

The award winning **Canterbury Lectern** and its larger sister **The York** have been designed with a **fully adjustable** gas strut height control and are available in five finishes; light oak, medium oak, ash, mahogany and beech, with the option of contrasting embellishments.

The **unique** adjustment system enables the height of the lecterns to be raised and lowered by the **simple** touch of a lever. The lecterns are also fitted with castors for swift movement.

We use only the **finest quality** timbers and veneers, specially selected to match the client's requirements. Each lectern is designed to blend in with the surroundings in which it is to be placed; therefore we supply samples of finishes and colours to achieve the best results. If your church has a logo we can also incorporate it into the design. Alternatively, you may wish to leave the front panel blank or include a cross.

With so many churches now reliant on using the latest technologies, we also carry the option of an **LCD video monitor**, which enables the speaker to view the output from the video projector, for example when using a PowerPoint presentation and singing hymns. Depending on the level of technology used within the church, it may also be possible for the speaker to operate the system from the lectern screen itself.

As well as lecterns, we have also extended our Canterbury and York design to offer a variety of matching furniture, all made to order. Communion tables, credence tables, flower stands, fonts and more can all be ordered alongside to give your place of worship a truly striking and beautifully crafted set of furniture.

# PA Desks and AV Cabinets

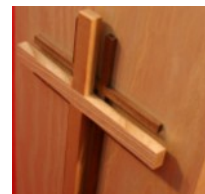

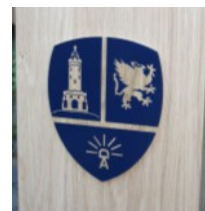

We are able to offer a **wide variety** of PA desks and AV cabinets suitable to house any system, from small and simple to large and elaborate. All furniture can be **colour matched** to blend in with its surroundings and the existing church furniture.

# Bespoke Lecterns

At Fullers Finer Furniture, we are able to assist with a wide variety of **bespoke** lecterns. Whether it's a traditional, elegant lectern with the church logo added to the front, or a **sleek, modern design** which stands out and is striking in its appearance, we will be able to work with you to come up with the **perfect piece** for your church.

# Fonts

Our bespoke fonts are ideal as a **centrepiece** for such a special occasion. As all our furniture is **made to order**, the design is up to the individual church. Recently, we have made several fonts featuring a blue glass bowl as the centre, which offers a **stunning alternative** to the equally elegant traditional copper.

# Communion Tables and Altars

The **centrepiece** of any church, a communion table must be **welcoming and inviting**. We are able to offer various designs and ideas, from large tables to removable altar rails. The design can incorporate your church logo, or a simple cross. We can also colour match with your existing furniture, or produce matching pieces to create a complete set.

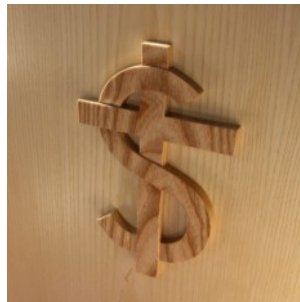

# The Design Process

All items are **handmade** at our workshop in Weston-super-Mare, with attention to detail a **priority**. We are a small family company, with each staff member **priding themselves** on taking the **utmost care** and attention when crafting a piece of furniture.

From the **initial concept** to the finished product, here at Fullers we will assist you every step of the way to ensure you get the result you desire. An initial consultation will be undertaken, with a site visit included as necessary. From this we will produce scale drawings and sketches so the concept can be clearly depicted. We can make various items in a wide variety of wood materials, with various types of stains and finishes available. We are also happy to attend your church meeting to present our ideas to the congregation or committee.

Every item is **unique** and made to order. We are happy to arrange delivery anywhere in the country, from Land's End to John O'Groats!

Over the years, we have undertaken a large number of big projects; from complete re-orders through to redesigning entire vestries and creating servery areas. We work with the church every step of the way to create the look you are after. For more information, please read our section on the design process.

# What our Customers Say

*“ It is so good to know there is a company that takes such a pride in the quality of its work and matches it with quality service.”*

Chatham Salvation Army Citadel

*“ We are delighted with this handsome addition to our Church furniture. Thanks for all your help.”*

St John's and Dairsie Parish Church, Fife

*“ We are delighted with your work. ”*

All Saints Church, Sandford

*“ The richness of the wood looks beautiful, I would like to congratulate you and your staff on such an excellent job. ”*

Weston and Somerset Mercury

*“ I wanted to let you know how pleased we have been with the kneelers you restored and built, you have done wonders with the originals. The matching kneelers are superb. Not only do they serve their purpose, they fit in beautifully with the surroundings. Thank you very much for your craftsmanship, service and ministry to us.”*

St Peter's, Maidenhead

*“ Thank you for your approach to the design and detail, your patience with us, and for delivering some very beautiful pieces of church furniture.”*

Horfield Methodist Church, Bristol
