We really enjoyed performing in our Christmas show this week and hope you enjoyed it too. We had the opportunity to do some practical work with money during the Christmas shopping morning and talked about the importance of giving as well as receiving. In literacy we used 'The Snowman' picture book to tell our own stories and in maths we made repeating pattern wrapping paper and looked at some of the characteristics of shapes. Show and Tell – Thomas and Tim.

### Charity Christmas Shopping Morning

The Charity Christmas Shopping Morning was a great success. The younger children really enjoyed choosing presents for their families. Year 5 and Year 6 were wonderful helpers. Thank you for all the donations of gifts which enabled us to raise over £188.00 for EACH.

### Christmas Fayre

Thank you to everyone for their effort and help in making the Christmas Fayre such a great success. We raised over £900 and the PTFA will be giving each class £40, for their tremendous effort with their coloured hampers.

### Hawthorn – Miss Wernham:

This week we have had a Victorian focus in Literacy and Numeracy. We have investigated the changes in transport and compared the advantages and disadvantages of them. In Art, we have designed and sketched our ideas for our Victorian toys and will begin to make them next week, whilst in science we have used the internet to research the water cycle.

- Literacy – To write notes about Victorian transport. To take part in a debate about Victorian railways.
