### Bun Day – Friday 5<sup>th</sup> October:

Please remember to bring some change (20p) to school on Friday 5<sup>th</sup> October to buy some buns/biscuits etc from Hawthorn class for their bun day. Thank you.

### **Ash – Mrs Grove and Mrs Campbell :**

Well done Ash Class for singing your harvest song so well! We have enjoyed this week learning about colours, Mondrian's art work and how to use our listening area. We have also been talking about families.

- Numeracy – Recognising numbers.
- Literacy – Elmer stories and joke telling.

### **Birch – Mrs Lovett and Mrs Lione:**

We are learning about ourselves in our science, we have looked at our bodies and drew around Stanley and Annalise to make a display. They look very smart! We enjoyed our 'senses' investigations when we were blindfolded to taste flavours, feel surfaces, smell and look at different things. We also played a good listening game on the white board.

- Literacy – writing in sentences.
- Numeracy – numbers before and after when counting.

### **Hazel – Mrs Stepney:**

This week we have been thinking about writing an opening to a story. We have read different versions of the 'Three Billy Goats Gruff' and then thought and planned what the opening to our own story would look like. In our topic Barnaby Bear has been travelling to Israel. We have looked at photos of Israel and shared facts about the Dead Sea.

- Literacy – to describe the setting of a story. To use interesting adjectives.
- Numeracy – to record number sentences, to calculate answers to number sentences using a number line.

Show and tell – Anna K, Caroline, Jack, Sian.

### **Friend of the Week:**

Juniper Wingate, Jenna Wilson, Hannah Fleming, Eleanor Wilson, Francesca Hunnable.

### **Hawthorn – Miss Wernham:**

In science this week we tested the strength of different fabrics and looked at how air could be used to power a paper rocket. In gym we made short sequences on the low apparatus, combining different jumps with balances. Next week we will be doing lots of drama and practising for our class assembly!

- Numeracy – to divide two digit numbers and find remainders. To add multiples of 10 and 100.
- Literacy – to use ICT to present a Victorian diary entry. To read and understand how play scripts work.

### **Oak – Mrs Nussey and Mrs Scheilling:**

In Oak class this week we have made a time line of famous Victorian people. In maths we have been counting to the nearest tens and hundreds. We have also been drawing Victorians in sports and movement. In literacy we have been writing stories about the Victorian times and reading the 'Selfish Giant'. By Eleanor Davies.

- Literacy – writing stories about Victorians.
- Numeracy – counting to nearest tens and hundreds.

### **Beech – Mrs Creamer:**

We have been busy preparing for the Harvest Service and understanding the puns! We hope you 'got the jokes'!

**Please could you provide a named apron/old shirt for your child to use during Art/DT classes, thank you.**

- Literacy – Biography.
- Numeracy – Negative numbers.
