Lost Coat

A coat was lost on the coach on the way home from the O2 on Tuesday night. If anyone has picked it up by mistake please could you return it to the school office.

New Initiative - Parent Invitation

On several occasions during the year, we hope to create opportunities for your children to show you some of the day to day work they have been involved with in the classroom.

This will be called School Work 'Show and Tell'. Details of which have been sent out to parents today. Hope to see lots of parents attending these valuable opportunities to support children's learning.

Ash – Miss Peck and Mrs Campbell:

We've been learning all about fire fighters this week and enjoyed experimenting with foam and water! We made fire collages and built long ladders to help the firemen. We talked about fire safety and made posters to remind us. We learned a song called "London's Burning" and used instruments to add sound effects.

- Literacy – Fire safety posters
- Numeracy – 3D shapes

Show and Tell: Charlie and Charlotte

Birch – Mrs Lovett and Mrs Lione:

We have had many distractions this week but we have managed to work hard and do lots of learning. We have enjoyed our science topic of Pushes and Pulls. We looked at all the pushes and pulls we do as we move our bodies in different ways and thought of words to describe the movements.

We have also started our topic 'Out and About' by looking at ways of travelling and journeys, We have used the internet to search for information about road safety.

- Literacy – Writing a recount using time connective words
- Numeracy – Addition and subtraction, practising doubles

Hazel – Mrs Stepney:

On Thursday we went for a bracing walk around the village to carry out a survey of parking. We also took the opportunity to investigate pushes and pulls in the playground as part of our science work.

In numeracy we have been investigating unit fractions

- Literacy – To use our senses to describe a setting.
- Numeracy – To recognise fractions of numbers and shapes.

Show and tell – Giacomo, Tom B, Anna B, Emmy

Friend of the Week

Thomas Gamble, Ashton Newman, Lucia Clark, James Hobart, Isabel Juckes, Juliet Norman

Hawthorn – Miss Wernham:

This week we have enjoyed making an orrery, showing the planets in our solar system. We have also begun our gymnastics topic 'Rotation' which looks at different ways to make a sequence using turns, twists, spins and rolls.

- Literacy – To identify features of fantasy stories, to act out scenes of fantasy stories.
- Numeracy – To continue number sequences and identify patterns with even and odd numbers.

Oak – Mrs Nussey and Mrs Robichaud:

This week in maths we have been looking at using the grid method and informal method for multiplication. In literacy we have been looking at a book called Tuesday. We have also done some drama on the characters in Tuesday, the main characters are some flying frogs. On Wednesday we went outside and together we made the earth, moon and sun and found out how they move. By Lewis and Wiz

- Literacy – Working towards writing a Non-chronological report
- Numeracy – Using the grid method for multiplication

Beech – Mrs Creamer:

We are working hard to create our own hybrid texts, using the Dr Xargle series as a model. We have tried to look at our school through the eyes of a visiting alien! In science we have been plotting the phases of the moon. Our ideas of what a Christian looks like were many and varied in RE!

- Literacy – To write sentences which are both Science fiction and explanation texts (Hybrid text)
- Numeracy – To convert improper fractions to mixed numbers and vice versa
