

Haslingfield Endowed Primary School

Diary Dates:

Sat 2 - PTFA Jumble Sale, Village Hall, 2-4pm

Mon 4 – 7-a-side Football County Finals at Impington
Village College

Tue 5 – School Work 'Show and Tell' 3.20-3.50pm

Mon 11 & Tue 12 – Spring Parent Consultation Evenings

Letters sent out to parents this week:

- Spring Parent Consultation Evenings
- Pancake Colouring Competition
- Cambridge United Sports Camps and Match Days
- Spring term 'Class Learning Letter' – what your child is learning this term.

Sickness Reminder

Please could we remind all parents that if a child has a bout of sickness or diarrhoea, they need to remain off school for 48 hours following the last episode.

Hawthorn Class

Please could the children bring in empty bottles with labels still attached. We need the following sizes; 1 litre, 500ml, 250ml, 100ml. Thank you.

Pancake decorating Competition

Decorate your pancake with your favourite healthy toppings for your chance to win a book voucher. Entries to be handed into class teachers by Thursday 7th Feb.

School Uniform Orders

The next deadline for orders placed online is 7th February for delivery to school on 28th February.

If any parents ordered uniform before 28th January this will be delivered to school on 18th February.

Library Door

Can we remind parents to avoid using the Library door in the mornings to avoid affecting the monitoring and safety of the children around the school.

Newsletter

Spring Term 2013

Issue 18 – 1st February 2013

Website: www.haslingfieldschool.co.uk

Learning and achieving together in a safe, happy environment

Twilight at the Museums

This event takes place on Wednesday 13 February with a mixture of FREE drop-in and bookable events from 4.30pm to 7:30pm. Museums and collections across Cambridge are opening their doors into the night for a special evening of free, glow-in-the-dark fun, including twilight family adventure light installations, firefly trails, lantern making and more.

Gymnastics Club at Comberton

There will be a new Gymnastics Club starting at Comberton in April. For details, contact High Fliers Gymnastics on 07984 603395 or high.flyers@btinternet.com.

Bourn Players Present Beauty and the Beast

Bourn Players will be Performing beauty and the Beast at Comberton Village College from 21st through to 23rd March with concessions available on Thursday and Friday. Booking your tickets early is advisable and can be done through www.bournplayers.org.uk.

Ash – Miss Peck and Mrs Campbell:

We finished off our 'Heroes' topic by talking about Superheroes. We enjoyed learning about the monsters from monsters Inc and making our own monster masks and writing monster profiles. We learned about some of the different countries in the world the monsters might open doors to. We also met Traction Man and used our knowledge of maths to help him solve lots of problems. We also designed him some amazing superhero vehicles.

- Literacy – To write a detailed description of your imaginary monster.
- Numeracy – To use addition and subtraction skills in practical contexts.

Show and Tell: Charlotte, Elijah and Ella

Birch – Mrs Lovett and Mrs Lione:

Birch class have continued to explore the theme of Relationships following our PSHE. We have thought about people who care for us and how we show we care for others. We made a 'caring tree' to show our ideas.

We are also thinking about our feelings and played a miming game to give us ideas of how to deal with things that happen.

- Literacy – To identify characters in a story and begin to describe them.
- Numeracy – To write out the missing number in an addition equation.

Hazel – Mrs Stepney:

This week we have been completing assessments in Literacy and numeracy. We have planned for making our car parks next week that will include a winding mechanism.

In RE we have been listening to stories that Jesus told and comparing them to more cotemporary stories.

- Literacy – to complete assessments
- Numeracy – to complete assessments

Show and tell – Maddie, Ethan, Edward, Theo.

Friend of the Week

Jacob Queen, Emily Birkby, Sian Mortimer, Jack Fairley, Malakai Charles, Kathryn Farrell

Hawthorn – Miss Wernham:

This week in Science, we have learned about the different phases of the moon. Our topic homework task is to draw the moon every night for the next 4 weeks, to see firsthand how it appears to change shape. If it happens to be cloudy there is a great website which shows you what the moon looks like: www.bobthealien.co.uk

In Art we have been painting different types of galaxies using a combination of techniques, focusing on careful colour mixing.

- Literacy – To plan and write a fantasy story based on space, using powerful vocabulary and punctuation.
- Numeracy – To use written methods, eg column method, to add 2 and 3 digit numbers and to solve multiplication problems.

Oak – Mrs Nussey and Mrs Robichaud:

This week we have been doing our assessments. Long maths, mental maths and literacy assessments, long writing, short writing, sports and grammar.

Meanwhile we have been recording the size of Ellie's shadows regularly by making a sundial on the playground out of chalk.

By Isabel Juckes and Lily Goodman

- Literacy – Assessments
- Numeracy – Assessments

Beech – Mrs Creamer:

We have come to the end of our work on hybrid texts. The mini books made by the children for homework were stunning, creative and, in some cases, hilarious! One or two were so funny Mrs Creamer cried with laughter! We have had a busy week preparing for our class assembly. We do hope you were able to come and see it and that you enjoyed it.

- Literacy – To write a hybrid text.
- Numeracy – To solve problems involving fractions.

Lost Key rings

Two YooHoo key rings were lost on Monday 28th January. Please look out for them and hand them in to the school office if they are found.
