5th January 2021

Dear Parents,

School Lockdown Update

Following the Prime Minister's announcement yesterday evening of a further England-wide lockdown which comes in to effect from today, Cambridgeshire County Council is supporting the closure of schools across Cambridgeshire.

Haslingfield School intends to reopen from Wednesday 6th January for [vulnerable children and children of key workers only](#) and be in a position to roll out home learning options for others, while awaiting updated guidance for how these groups will work and the expectations for their education. We expect to receive this advice from Government later today. However, it is our intention to ascertain the demand for a place so we can consider the most effective staffing structure going forward. You will be sent information later today, to be returned before 2:30pm; responses will be processed and notification confirming arrangements subsequently issued later this evening.

Teachers are currently making further preparations for our remote learning provision - thank you for your support.

Graeme McLeod
Headteacher

Learning and achieving excellence in a safe, happy environment
