The **MORE** that you
READ, the more things
you will **KNOW**.
The **MORE** that you
Learn, the more places
you'll **GO**.

Dr. Seuss

6th May 2022

Dear children,

In school we value the importance of reading for pleasure, we love to see you reading and sharing library books and books of your choosing in class and love to hear what you have been reading at home too.

To have a better understanding of the different books that you have read and to also ensure that we have books that interest you in school we would like you to create your own 'Reading river.' Think about the things that you have read this academic year, what have you enjoyed the most? What else have you read? Have you read recipes, newspapers, brochures etc? We want to hear about it all. Reading is all around us and we want to value and celebrate it, in many different ways. How you create your reading river is entirely up to you. You could draw it, paint it, collage or use digital technology- we really can't wait to see what you decide.

If you would like to create a reading river to share with us then please complete it over the next couple of weeks and hand them in to your class teacher by Friday 20th May. We look forward to sharing your reading journeys with you, providing more books in school that amuse, interest and excite you and that you have been a part of choosing.

Happy reading

Miss Peck
