## Mentoring – could this be a role for you?

As you may know, Kingfisher Church coordinate a team of Mentors to go into our local primary schools. There is a great need for more people to support children in this way.

**Mentoring involves** spending quality time with a child, usually half an hour a week, encouraging them to talk, and listening to what is concerning them without judging them. It is entirely up to you how much time you offer – we suggest an hour per week (or more if you are able), but you can even do half an hour.

**Commitment:** As well as being able to offer a fairly consistent weekly session, before starting you will need to attend a one-day Mentoring training session. You will also be involved in regular informal group supervision/ update sessions of 2-3 hours, three times a year.

### Interested?

For more detailed information, please see the attached sheet. Do have a chat with Alison or one of the other mentors (Natasha, Jean F, Jean C, Alice) if you are interested...

## Please do pray for:

- **Israel and Gaza** - for wisdom for both local and world leaders, an end to the war and a workable peace
- **Ukraine** - for an end to the war; for hope and healing for those suffering from injuries, loss of family and friends, trauma and psychological issues
- **Sudan** - particularly for our link diocese of Kadugli - for a lifting of the siege around Kadugli and Dilling and the resumption of normal trade - for speedy provision of food, medicines and other necessities - for God's protection and blessing on his people there.
