Melford Music's aim is to bring a knowledge
and love of music to the area, to support
musicians by giving them a platform for their talents
and to contribute to the preservation
of this famous 15th century church.

WELCOME

I should like to welcome you all to Holy Trinity Church and to say what a great pleasure it is for us to host these popular lunch time recitals organised by Melford Music.

These have become very much part of the Long Melford Summer Entertainment programme and I would like to take this opportunity to thank the artists, organisers, sponsors, supporters and of course all who attend.

The Revd. Matthew Lawson, Rector
