Smile Charity Uganda - Alex Gift Ngabonziza

In Uganda, local food stools have forced to close and all transport has been stopped without warning. Many who live 'hand to mouth' are going hungry. Alex and his team have postponed their usual projects and are providing food parcels for the vulnerable in their local community. Alex is struggling to pay rent for the crisis home where they house children who need a safe place to stay. Their usual funding has been reduced due to the impact of Covid.

- Please pray for provision financially to pay rent and enable them to deliver food parcels to the local community
- Please pray that the team would be kept safe and healthy whilst they deliver the parcels, especially during this crisis.
- Please pray for the families they are blessing that they would see that it is God who has provided for them through Smile.

Helena - Working among refugees in SE Asia

- **Praise:** Healing of leg so mobile again & companion to share home & teach language
- **Prayer:** For grace, wisdom & protection for all in lockdown situation with armed soldiers making presence felt. No refrigeration so shopping regularly is necessary but risky.
Camp in total lockdown - so tightly guarded even medics have trouble getting in. Raja people have inadequate supplies, are suspicious & panic increases.
Hard for Helena to see other team members due to road blocks.
Helena "overall is doing well & is V busy: I live in the present & certainty that I'm where God wants me to be. He is in control & says: DO NOT BE AFRAID; DO NOT WORRY ABOUT TOMORROW; I TAKE CARE OF TOMORROW."

Edith's Hope (Uganda)

- Please pray for those extended families caring for the orphans, no longer at school, that orphans will be provided for as well as possible.
- Please pray for the distribution of hygiene packs to child headed families.
- Please pray for wisdom for the Uganda team to use resources well.
