

Pray with us for the global Covid-19 Coronavirus response

- **Pray for the response to the virus around the world.** Pray that God will enable the work of our partners to continue where possible, and that our workers who are actively fighting the virus will remain healthy.
- **Pray for our mission workers and UK staff.** Pray for those who are travelling back to the UK, that they will experience safe travels and a smooth transition back at home.
- **Pray for people spending time in quarantine or self-isolation.** Pray that they might receive the support they need, and that they might stay safe. Praise God for the commitment of those in voluntary isolation, that they will play a real part in slowing the spread of the virus.
- **Pray for governments and world leaders globally.** Pray that the Lord will bless them with wisdom and that they will make pro-active decisions that will benefit their countries, and the global community.
- **Pray that God will slow the spread of the virus.** Pray in the name of Jesus that those who are ill will be healed and pray that God will bless the work of the people and organisations who are working on a treatment. Please pray especially for the medical workers around the world who are risking their own health to treat the most vulnerable. Pray that they will stay healthy and that their work will be fruitful.
