

Happy Father's Day

Thank you Father God for your perfect fathering of us; for not only your love and compassion but for your conviction and discipline that will develop a relationship and life more devoted to you.

Father God we pray that you will give all fathers wisdom, patience, courage and love and all children an openness to correction, with an eagerness to learn and love for their fathers.

Father God we pray that you will surround all who are fatherless with godly men to teach, affirm, guide and to love them with the love of a father in your strength.
