

DO
even
things

The words 'DO even things' are written in a large, stylized font. The letters are filled with various geometric and organic patterns. A small bird is perched on the top of the letter 'e' in 'even', and another bird is perched on the top of the letter 'i' in 'things'. There are several simple, fluffy clouds scattered around the text.

WITHOUT COMPLAINING
AND ARGUING.
PHILIPPIANS 2:14
