New Sunday Evening Teaching Series

What if our "God" is really a projection of our own identity, ideas, and desires? And what if the real God is different, but far better than we could ever imagine? **Theology Condensed** is a simple but profound guide to what God says about himself. Together, we will journey line by line through Exodus 34:6-8 - what some scholars argue is the most quoted verse *in* the Bible, *by* the Bible. It turns out, who God is just might surprise you - and change everything. The Theology Condensed series will be starting next Sunday September 20th at 7pm via our [online church platform](#).
