

## **Joshua: Are We There Yet? | Stepping Out In Faith | Joshua 1**

1. This new series was set up using the picture of a journey, asking the question, 'are we there yet?' When it comes to thinking about your relationship with the Lord how would you interpret and answer the question, 'am I there yet?'
2. Read Joshua 1 together, and then reflecting on the preach and the text, what stands out most for you in these words as significant? Why so?
3. What insights do you have from reflecting on the nature of the relationship between Moses and Joshua? What relationships do you have which could reflect something of a similar approach to discipleship for yourself and someone else?
4. Reflecting on verses 7-8, how do we ensure we remain faithful in this area? Share your experiences and ideas.
5. Step Up (v1-9) - Joshua had to step up into his calling as a leader. What did he need for this to be able to happen? Share how has the Lord called and equipped you.
6. Move Out (v10) - Joshua must move out and take action as a leader. What are the practical next steps the Lord is leading you to take in working out your calling?
7. Stay Together (v11-18) - Joshua instructed all the tribes to go even though some were already in the land of their inheritance. How are we as a church or as a home group going 'together' into the spaces and places the Lord is leading?
8. How is our church community encouraging you to live out your calling? How can you encourage each other in this area?
9. Finally, we were challenged to think about those who can help disciple us or who we could disciple and invest in. Has the Lord put a name specifically on your heart? Share your conviction and pray together for the opportunity of a conversation with the person the Lord has identified to you.
