

OUR SBC CARE PACK FOR FAMILIES

# IN YOUR PACK

## QUESTION CARDS

We know it can be hard to encourage your young person to talk. We've included some question cards which might help them to share about their feelings and experiences. You could use some at meal times, on journeys or at bedtime.

## A BOOK

We've chosen a book which we hope will encourage your young person to think about how God is living and active, and how he can help them with life at school.

## A BOOKMARK

We have been thinking about the Fruit of the Spirit each Sunday. We hope that this bookmark will help your young person to remember what they've thought about and how God is at work in their lives - wherever they are each day.

## A KEYRING

We know that sometimes having a 'thing' can be a helpful reminder for young people of what they are learning about God. They could put this keyring on their bag, their pencil case or internal pocket to help them remember that God is with them.

## STATIONERY

We think stationery is great and we hope that your young person will find this useful as they get back into the habit of putting pen to paper.

## FRUIT

Going to school is hungry work and hopefully a Fruit of the Spirit snack will help out.

"THE FRUIT OF THE SPIRIT IS LOVE, JOY, PEACE, PATIENCE, KINDNESS, GOODNESS, FAITHFULNESS, GENTLENESS AND SELF-CONTROL."

GALATIANS 5:22-23
