

# Stapleford Baptist Church at home

Whatever your age, have a go at some of the activities, reflections, songs and challenges to help you to keep learning about God throughout the week.

You could design or make something for us to remember the fruit of the Spirit. Send it to us. You might want to do some colouring or a puzzle.

## Reflect on the idea of the Fruit of the Spirit

Think of the 9 aspects of the fruit of the Spirit as we've considered them in recent weeks. You might want to review some of the sermons on YouTube - they're still there.

Spend some time praying and reflecting as to how God is at work in your life and how you might need the Spirit's help.

You might find it helpful to share how God is prompting you with a trusted friend or with your Life Group.

Keep talking and praying, encouraging and challenging one another about the fruit.

**Challenge**

**Talk to someone about faith -** Paul writes about the Fruit of the Spirit. Ask someone (a family member, church leader...) how they can see evidence of this fruit in their life? In your life?

**KOSMIC and Transition**

You might want to see if you can remember the 9 fruit of the Spirit and think of edible fruit. Which fruit would you connect with which characteristic? Why?

For example, you might decide that love is like a strawberry because it is heart shaped.

You might want to make notes during the talk or do some colouring.

We are thinking about: The Fruit Bowl of the Spirit
