

# KOSMIC at home

If you are in KOSMIC, ask a grown up to help you with some of these activities, reflections, songs and challenges so you can keep learning about God throughout the week.

What might you say if your sibling was given a magazine and you didn't get one?  
How might you react if your friend was given a 'wear your own clothes' voucher and you didn't get one?  
Do you sometimes complain that life isn't fair? When? Why?

## Learn from the Bible

Watch the video about Habakkuk.  
<https://www.pursuegodkids.org/sometimes-life-isnt-fair-kids/>

Habakkuk complained a lot. He began to act as if he knew better than God.

What lesson was God trying to teach Habakkuk? Instead of complaining, we should...

But how can we trust God when things seem unfair or if others are unkind?

Do you think that God still cares about us when things seem to be going wrong?

I wonder what would be different if I trusted God rather than myself when things go wrong...

Habakkuk had to learn that he had to trust God even when it seemed that things weren't fair.

What type of questions might Habakkuk have asked God?

*Respond*

God says that we should trust him and follow him, even when things don't seem fair or make sense to us. Ask God to help you to follow him and keep walking with him, even if other ways seem to make more sense..

*Challenge*

Talk to someone about God - God encourages Habakkuk to trust him. Ask an adult (a family member, a youth leader...) about a time when they trusted God even when things didn't seem fair.
