

DISCUSSION GROUP

Remember frustrated and fearful Norman and Jane (frustrated, because they can't see their family and because they'd cancelled a holiday of a lifetime / fearful, due to COVID-19). How does N's example in chapter 1 encourage them to centre their lives on God's concerns?

And Robert and Fiona? Fiona prioritised caring for Ben and gave up her job to look after him. Then in May, Robert lost his job due to COVID-19. With reference to the truth about who God is, His purposes, and His priorities for their lives, how would you pray for them?

As a group you decide to send Robert and Fiona a card to encourage them. How would you express in a written message to them what you have just prayed?
