DISCUSSION GROUP

Can you think of a Christian whose example has encouraged or challenged you to live a more godly life? What was it about their life that encouraged or challenged you?

Think about your church life at SBC. List all the things which you enjoy and which cannot be found or equalled outside church.

On Monday, a Christian neighbour asks, “How do you feel about another national lockdown?” How do you answer that question in order to communicate your hope in the Lord Jesus?

Pray that the hope and joy which you have in Christ would be heard throughout the town.
