

Stapleford Baptist Church at home

Whatever your age, have a go at some of the activities, reflections, songs and challenges to help you to keep learning about God throughout the week.

Jesus loved people he met even though they had made mistakes. Can you think of any of them? Send us your list. You might want to do some colouring.

Reflect on ideas from John

Someone said that one should write wrongs that we've experienced in the sand and engrave the blessings that we have received onto stone. This means that the winds of forgiveness can erase the words in the sand and yet no winds can erase that etched in the stone.

As you go through the week, consider whether you are writing wrongs on sand or stone. Ask God to help you to forgive and to show mercy. Just as he shows mercy to us.

Challenge
 Talk to someone about Jesus - Jesus showed grace to the woman when others judged her. Talk to someone (a youth leader, family member) about a time they have shown grace rather than judgement, or when they have experienced grace rather than judgement.

KOSMIC and Transition

Jesus is amazing! One way that we know that is that he shows love and mercy to people who were considered sinners. Can you think of any Bible stories which tell us about Jesus spending time with people others thought he should avoid? Or you might want to make notes during the talk or do some colouring.

We are thinking about: The Woman Caught
