

KOSMIC at home

If you are in KOSMIC, ask a grown up to help you with some of these activities, reflections, songs and challenges so you can keep learning about God throughout the week.

1

Why do you go to church?
 What do you enjoy about being part of a church?
 What's the best thing about meeting with other people who believe in Jesus?

2

Learn from the Bible

Church has been a little strange this past year. We've not met in a building but online. It's been hard but it's still good to meet together.

Our Bible verse of this year is:
 23 We must hold tightly to the hope that we say is ours. After all, we can trust the one who made the agreement with us. 24 We should keep on encouraging each other to be thoughtful and to do helpful things. 25 Some people have gotten out of the habit of meeting for worship, but we must not do that. We should keep on encouraging each other, especially since you know that the day of the Lord's coming is getting closer.

What do you think it might mean?

Think about what this verse might mean. Why might it be good to meet with other people who follow Jesus?

You might want to print and colour the verse to remind you of it throughout the year.

Respond

Hebrews reminds us that it's good to be part of a team. It can be difficult as we're different and church services can be tricky, but there are lots of great reasons to meet with a family. Ask God to help you keep going even when it's hard. You **may** want to tell a grown up what you prayed about.

Challenge

Talk to someone about Jesus -
 Why do they meet with other Christians?
 What do they find difficult? How do they deal with that? What do they enjoy? Why?
