Dear Applicant

Thank you for your enquiry regarding the Education Trusts. **Please can you complete and return this letter to me by email or by post along with the letter of proof of benefits (please see explanation below). The address is provided below.**

As part of the Trust's regulations the Finance Department require proof of benefits. This would normally be a **copy of a current letter** from one of the following benefits agencies addressed to yourself at your current address - stating your benefit entitlement – **child tax credit, working tax credit, ESA but we cannot accept child benefit as this is a universal benefit. We apologise but due to the number of applications this year we are unable to return letters .**

PLEASE NOTE - up to £30 can be provided for a primary school child and £50 for a secondary school child with a limit of £100 per household per school year. Pre-school children are not eligible.

Please can you provide us with the following information:
