Dear Parents/Carers,

## COVID -19 - UDATE 20.3.20

Hopefully, you have received your child's pack of work for the next two weeks. There are details inside each pack regarding the work that has been planned. Hopefully it is all self-explanatory. We will continue to provide further activities via our website for as long as we are required to remain closed.

We will continue to communicate with parents and carers via email and /or text. The website will also be updated regularly. If you should have any queries during the time that the school is closed, please direct them to the general school admin email address as there are potentially more staff that will be able to access this inbox and who will be able to follow up on your queries. Alternatively, please call us and one of the team will be able to help.

Thank you for all your replies to our survey. If we think that at this point in time you qualify for provision at school and wish to take up this offer, you should have received a confirmation text or phone call. If you have not received confirmation by text or phone and think that you should have, then please email us over the weekend. We would kindly ask that you provide the office with evidence of ID next week or confirmation from your employer that some are providing. If your child however is currently self-isolating, then they will not be able to come in until their period of isolation is over.

Any children accessing provision at school will be following the same activities that are provided in the packs for those staying at home. Please can all those children bring their packs into school. Further organisational issues will be communicated on Monday. Lunch will however be provided for those wishing to have a school meal. Alternatively, please provide sandwiches as usual.

We will be able to offer Early Birds for those children accessing provision at school until the Easter holidays in the first instance. We may have to reconsider this provision after this time, but we will look at the logistics of this moving forward after this time over the next couple of weeks. Please email [admin@hanwood.shropshire.sch.uk](mailto:admin@hanwood.shropshire.sch.uk) to confirm any Early Birds bookings for the next 2 weeks.

Thank you to everyone for your support and understanding over the last few weeks - it has been very much appreciated. Your children have been amazing and the staff have striven valiantly to keep things running smoothly - thank you all.

We hope that you all remain safe and well during this period of uncertainty that we are facing and hope to be able to open again as soon as it is deemed safe to do so.

Best Regards,

Kate Budd
