~ Caring, growing and learning together ~

Dear Parents/Carers,

COVID -19 - UDATE 24.3.20

Thank you to all those parents who are classed as critical workers for your replies to our request for bookings for the remaining days until Easter - it is very much appreciated as it will help us to plan staffing accordingly. Thank you also to all those parents who have been in touch regarding alternative arrangements that they have made for their child.

The Home Learning page will be set up tomorrow on our website, which will have some further information and advice to help your child whilst learning at home, including a variety of additional websites and Active Learning suggestions.

Unless there is anything significant to communicate (depending on the latest announcements from the government or Public Health England), further communication will be either via text or through the Friday Bulletin, which will be emailed out to all parents and uploaded on our website by early afternoon.

We will be placing tabs at the top of the Home page so that the Covid-19 updates and Home Learning page can be accessed more easily too.

We hope that you all remain safe and well - take care!

Best Regards,

Kate Budd
