

During the school closure please continue to read each day for at least 20 minutes. If you run out of books to read at home then you can access books online at: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

### Topic

Research all about rivers and create an information page to present your findings. Tell the reader about the journey of a river of your choice e.g Nile, River Severn or Amazon. Use key words such as: source, meander, flow, estuary and mouth to give the reader key information.

Include a map (drawn or printed) and label the continents, countries and seas/oceans that the river touches.

Create a fact file of the different animals that live in or beside your river. Think about habitats or food chains.

Create a piece of artwork to represent the river of your choice.

### Science Fossils

Complete the reading comprehension on fossils.

Watch the video on how fossils are formed:  
<https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/z2ym2p3>

Sequence the fossil cards and writing and stick into your pink book.

Watch the video on what we can learn about fossils:  
<https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/z22g7p3>

Make a poster to teach the Year 2 all about fossils.

### Grammar, Punctuation and Spelling

Please use the sheet provided in the pack and complete over the next two weeks.

### Maths

Use the **text book provided** to complete any sections that you feel you need to practise. One page for each day of school closure.

There is also a securing skills sheet which is to be filled out daily on the correct day as labelled. You will also find a challenge booklet to work through.

**Spellings and number fact recall including timetables should be practised daily using EdShed (Spelling and Maths Shed)** Children have access using their personal login (stuck into their yellow Reading Record) to Ed Shed. Please practise spellings and timetables every day. Spelling and Maths assignments will be up dated weekly and monitored by Miss George.

### Resources Section

BBC Bitesize - has a wealth of revision activities

[Kids.classroomsecrets.co.uk](http://kids.classroomsecrets.co.uk)

<https://www.topmarks.co.uk/>

<http://www.crickweb.co.uk/>

If new resources become available over the closure, school will email further details.

Remember to complete work in your pink book and stick in any work. Feel free to practise anything else.
