~ Caring, growing and learning together ~

3rd April 2020

Dear Parents/Carers

COVID-19: UDATE 03.04.2020

The second Friday Bulletin is published today, with lots of news, ideas and tips. I hope you are enjoying the updates.

Thanks so much for all the pictures - some of which are in the bulletin this week. The pictures of the rainbows were lovely to see - if yours isn't in the newsletter this week, it will be appearing on the website soon. Likewise, there were some amazing pictures of World Book Day activities, which will again be on our website for after Easter. Apologies for any delay in doing this, but it is dependent upon when staff are in school. Currently all staff are working on a rota basis, but we will ensure that staff see any pictures or messages when they are in school.

If your child has a teddy (or any other soft toy) that you could place in one of the front windows of your house that would be great. You may see some in our school windows if you pass by! Try and see how many you can see if you go on a walk through the village.

Just in case you see the gates open over the holidays when you may be passing by when going for a walk, we are opening for the children of Critical Workers who do not have anyone else at home to look after them. There will only be a few staff on duty though at any one time at school, so that the staff can have some holiday time too with their families. The majority of messages therefore will be picked up after the holidays. If there is anything that is really important, please mark your email as urgent so that we can prioritise it - thank you.

The teachers will be busy planning further work for everyone for after the holiday period (summer term officially starts on 20 April) - we know that many of the children have completed lots of the activities set, so a big well done to you all.

As it will be the holiday period, there will not be a bulletin for the next two weeks - the next issue will be on Friday 24th April (which seems a very long way away!). However, if there are any urgent messages or updates in the meantime, we will send a text or email.

I hope that you are able to enjoy some quality family time over the Easter break.

Take care and look after yourselves!

Best regards

Kate Budd
