

**23.04.20 Music**

Hello everyone

I hope you are keeping well and are getting on ok with your work at home. I know that many of you have been doing lots of English and maths as well as other topic areas which is great to hear!

If you want to try something a little different and enjoy music - try out the BBC Bitesize online lessons.

The link below will take you to a lesson which is online this week (dated 23.04.20) looking at melody and pitch and singing with feeling. Take a look and try it out. The added bonus is that it is all oral or practical - no written work - yay!

I'll send out some more links next week.

Enjoy!
