

23.04.20 French

Bonjour!

I hope you are all keeping well and safe!

If you would like a little change from English and maths, I thought you might like to practise your French skills at home. This is really important for Year 6 who may be taking French next year at secondary school.

You can follow these online activities with the BBC.

The links below will take you to clips and activities that will help you with your revision.

French greetings with Ben Shires

How to introduce yourself

This is all oral work (no writing - yay!). Try to do a little and often - that's the best way to remember things when learning a language.

I'll send out some more links next week.

Au revoir

Madame Budd
