

30.04.20 RE for Ash Class

Hello everyone

I'm really missing our weekly lessons!

Now that you have got started on your work for this term, I thought I'd see what RE work that you could look at if you are able to for this half term.

We are going to think of different religions and what it is like to practise these different religions.

Activities

1. Look at the clip below on BBC Teach.

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-what-is-christianity/znshvk7>

Think about why Christians would choose to go on a pilgrimage to Jerusalem. Record the places that they visit and why they are important to Christians.

2. Now look at the clip below on BBC Bitesize.

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-my-life-my-religion-hinduism-pilgrimage-hinduism/z4ghf4j>

Think about how this is the same and different to a Christian pilgrimage.

Focusing on the Hindu pilgrimage - how does this differ from a holiday? Can you list the similarities and differences between a holiday and a pilgrimage?

With best wishes

Mrs Budd
