

30.04.20 RE for Oak Class

Hello everyone

I'm really missing our Thursday and Friday lessons!

Now that you have got started on your work for this term, I thought I'd see what RE work you could look at if you are able to for this half term.

We are going to think about different religions and what it is like to practise these different religions.

Activities

1. Look at the clip below on BBC Teach. This is an introduction to Judaism.

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-what-is-judaism/zfbhf4j>

2. Now look at the clip below:

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-life-as-a-young-jewish-boy/zkqc8xs>

Make a list of 10 things that are important to you.

Then list 10 things that are important to Charlie in the clip.

Which things are similar and which are different?

With best wishes

Mrs Budd
