

St Thomas and St Anne's Home Learning Activities - Summer 2 - Whole School

During the continued school closure, please aim to do some learning each day. This will help your fluency and provide good reinforcement of previous learning. Use the 'Resource Section' websites as much as you can and choose from any activities to extend your learning. Please aim to read every day, complete one maths activity, one English and one topic activity per day. Try to do something active each day too. Try to practise spellings and timetables/mental maths every day for approximately 10 minutes (using your Edshed Login). A big well done to all of you who have been working hard at home over the last couple of months and thank you to our parents for your continued support in facilitating learning opportunities at home.

English

Please log on to:

Oak National Academy - classroom and select the year group relevant to you child. This week's lessons should be the first to appear.

<https://www.thenational.academy/online-classroom>

Maths

Please log on to:

Oak National Academy - classroom and select the year group relevant to you child. This week's lessons should be the first to appear.

<https://www.thenational.academy/online-classroom>

Topic

We have created a whole school project for you to select some activities from. Details can be found on our school website under the 'Home Learning' tab. The project for the next two weeks is 'Japan'!

<http://www.hanwood.shropshire.sch.uk/home-learning/>

If you would like any further activities, the Oak National Academy also have a 'Foundation' subject area as well as a PSHE section

Resources Section

Please see our school website for the most up to date additional learning resources
