Hello everyone,

The children have completed their assessments now and the teachers have been evaluating the outcomes of these and identifying key targets in reading, writing and maths in order that progress can be maximised this term.

There is an opportunity this week and next to have a telephone consultation with your child's class teacher. Please contact the school office if you have not arranged an appointment as yet.

The times scheduled are as follows:

- Fir** : Monday 28th September between 1pm and 5pm
- Oak** : Wednesday 30th September between 1pm and 5pm
- Elm** : Thursday 1st October between 1pm and 5pm

- Fir (Year 1)** : Monday 5th October between 1pm and 5pm
- Ash** : Tuesday 6th October between 1pm and 5pm
- Oak** : Wednesday 7th October between 1pm and 5pm
- Elm** : Thursday 8th October between 1pm and 5pm

- Ash** : Tuesday 13th October between 1pm and 5pm

If these times are not convenient, then please call so that an alternative appointment can be made.

Please be aware that this is our formal Parent's Consultation this term. The next one will be early in the new year when teachers will report on assessments taken at the end of this term.

This is a change to the reporting arrangements from recent years but we feel that this will be the most effective way of communicating with you about your child's current attainment and progress in a timely manner following our wider re-opening from September this year.

With thanks,

Kate Budd

PE for Elm and Oak Classes: Please note that for this week ...

PE for Oak Class will be on **Thursday**

PE for Elm Class will be on **Wednesday**

Reading Books: Please can your child bring in their reading book that has been given by school every day.

As part of our 'catch-up' curriculum we are prioritising reading in the first instance, including phonics teaching. Therefore, we are trying to maximise the opportunities for your child to read in school as much as we are able.

Many thanks!

Data Collection Sheets: These were sent home last week. Could you please return your sheet(s) to school as soon as possible so that we can update our system with any amendments.

Thank you!

Congratulations to ... Evangeline and her mother who completed a 5k run for a 'A Very 2020 Race4Life' on Saturday and raised £60 for Cancer Research UK. Well done both!

Emergency Closure of School: If we are forced to close the school due to extreme weather conditions or for any other reason, an announcement will be made on local radio stations.

Information will also be available at:
