Newsletter

Hello everyone,

Hopefully many of you will have had your consultation meeting with your child's class teacher. There are a few more that will take place this week too. If you have not booked an appointment, please call or email the office and the team will happily book a convenient time for you.

The times scheduled are as follows:

- Fir (Year 1)** : Monday 5th October between 1pm and 5pm
- Ash** : Tuesday 6th October between 1pm and 5pm
- Oak** : Wednesday 7th October between 1pm and 5pm
- Elm** : Thursday 8th October between 1pm and 5pm
- Ash** : Tuesday 13th October between 1pm and 5pm

We will be working hard this term to focus on key gaps in learning for whole cohorts and individual children in order to try and maximise progress this term. Assessments will then be undertaken towards the end of this term, with outcomes reported at the beginning of the spring term.

We are now forging ahead with the topic themes as outlined in the termly overviews and, although we are focusing on reading, writing and maths skill development in English and maths lessons as well as in other subjects such as science, history and geography, we are also endeavouring to ensure that we are offering a broad and balanced curriculum.

With thanks,

Kate Budd
