Hello everyone,

There are lots of forms coming out via your child today. Please could you kindly look at these as soon as you are able and return them to school as soon as possible.

With thanks,

Kate Budd

AUPs for Learners in Key Stage 1 and Key Stage 2: Forms will be sent home with the pupils today - one per child. Could you please return them to school by Friday, 16th October.

We are asking that these AUPs are signed and dated by children and their parents please in order that your child may continue to have online access and use school devices. Students are required to accept the general principles of acceptable use of school devices and technologies each time they log into a school device or the school network.

Seesaw: A letter is going home today regarding Seesaw, an online learning journal which we will be introducing in school. It will enable children and families to upload work to a secure online platform which can be viewed by the teaching staff in school.

Could you please complete the consent form on the reverse of the letter and return it to school by Friday, 16th October. Thank you.

Your child's AUP (*please see above*) will need to be returned to school before they are given their individual login for Seesaw.

HSA AGM: The Annual General Meeting will be held online via Zoom on Monday 19th October at 4.00 pm and will not last more than 30-40 minutes.

If you feel you might like to be involved, either by holding a Committee position of responsibility or just as a helper, please email admin@hanwood.shropshire.sch.uk by Thursday 15th October. We welcome nominations for the following:

- Chair
- Vice-Chair
- Secretary
- Treasurer

Data Collection Sheets: If you have not already done so, could you please return your data collection sheet to school **this week** so that we can update our system with any amendments to contact details. *Thank you.*

Emergency Closure of School: If we are forced to close the school due to extreme weather conditions or for any other reason, an announcement will be made on local radio stations.

Information will also be available at:
