A beautiful building  
with beautiful grounds...

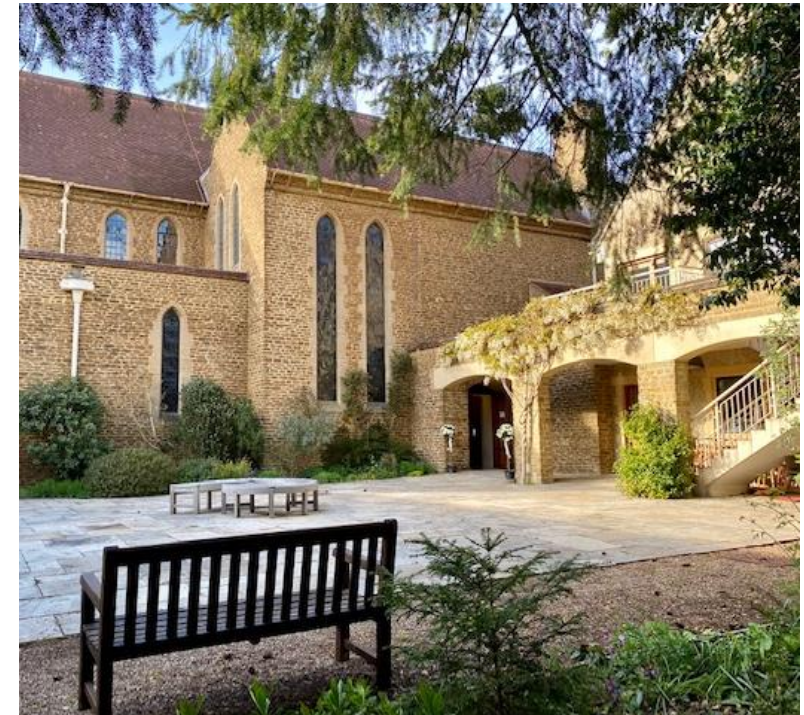

St Thomas' Church has been at the heart of the Bourn in Farnham for over a hundred years. Its attractive local stone and glorious grounds make it a perfect backdrop to enjoy your day, sip your champagne and take some memorable photographs.

The light-filled Centenary Rooms can accommodate up to a hundred guests for a seated reception. The rooms benefit from the Seven Days of Creation Windows that were designed and made by the University of the Creative Arts.

## A spacious and lovely courtyard

The sunny and sheltered courtyard is a perfect spot for a drinks reception. There is an opportunity to erect a marquee for music and dancing or to accommodate more guests. Guests can enjoy the beautiful courtyard and grounds into the evening.

## Modern, comfortable and well-equipped facilities

- There is a modern commercial kitchen that trusted suppliers endorse.
- There is a large Welcome Area to greet guests on arrival.
- An attractive room off the Courtyard is available for use by the Bridal Party for a quiet moment to catch their breath or freshen up.

A large church or a smaller side chapel is available, if you'd like a church wedding

- If you would like to think about getting married in church, one of the ministry team would be delighted to discuss the options with you.
- If you'd prefer to get married elsewhere, the buildings and grounds can still be the perfect venue for your reception.

Wonderful music is available  
to help make it a spectacular day. . .

St Thomas' cathedral-standard choir is available  
to provide music for your marriage ceremony.

The Director of Music would be happy to discuss  
your music choices.
