

Walk to support the vulnerable and marginalised in our diocese

Saturday 9 October

Bishops Andrew and Jo are inviting you to join them on a sponsored walk to raise funds to help the disadvantaged and vulnerable across our diocese. It is hoped that parishes will sponsor members of their congregation, of whatever age, to join in this exciting event.

You can either do the full walk along the North Downs Way from Farnham or Dorking to Guildford, where both groups will meet at St Mary's Church, Quarry Street, or join us at one of the pre-arranged way points for a shorter walk.

The full walk from either Farnham or Dorking is about 13 miles, but you can also join us at Puttenham or Newlands Corner for a shorter walk of about 5-6 miles.

There are trains back from Guildford to Farnham and Dorking West and Deepdene twice an hour.

What better way is there to spend an early autumn day than by helping to raise money for one of the community projects which the Bishop of Guildford's Communities Fund supports?

To register your interest in taking part please email claire.isherwood@cofeguildford.org.uk giving your name, parish and likely starting point. A full information pack, with sponsor forms will be sent to you nearer the time

The Bishop of Guildford's Communities Fund provides finance for church-based projects which support people with disabilities and mental ill-health, provide facilities and services for older citizens, children and young people, support families and disadvantaged communities, provide practical help for the financially challenged and offer training and skills programmes for young people.
