

WINE AND CHEESE EVENING

1982

Over 70 Gosberton churchgoers sampled three different wines and ten types of cheese at a friendly wine and cheese evening held at the St Peter's Room on Saturday. The light-hearted get-together was organised by four local couples to raise funds for staging next year's church flower festival at tulip time.

The couples behind the highly suc-

cessful social evening were Mr and Mrs F. Harrison, Mr and Mrs E. Chapman, Mr and Mrs P. Wakefield and Mr and Mrs W. Manton. One of the organisers, Mrs Sandra Wakefield, said: "We had a very successful evening and everybody enjoyed themselves.

"We raised over £100 for the flower festival funds and we are all very

pleased with that."

Mrs Wakefield added: "Several people who came along brought by-gones with them and we had to guess that they were and date them." A raffle was organised by Mrs Audrey Manton.
