

A HARVEST Evensong in Gosberton Parish Church was conducted by the Rev Ian Sheppard on Thursday. Mr Sheppard read an extract from a book "Lark Rise To Candleford" by Flora Thompson, which described harvest time and harvest suppers in the 1880s.

He said: "The first lesson was read by Mrs Janet Young, Sunday school superintendent, and the second by Mr Antony Proctor, a church warden. Mrs Lucy Burton played the organ. We all then adjourned

to the church hall for a bumper spread provided by the ladies of the Church Fellowship ably led by Mrs Chris Muxlow."
