

CAKE STALL RAISES £398

SHOPPERS just couldn't resist mouthwatering home-made cakes and jams — and this stall was soon cleared on Saturday morning.

The cake stall in Spalding's Market Place, was organised by Gosberton Church Fellowship — a ladies group who meet once a month.

Church members contributed towards making the event a success and the £398.13 will go towards Gosberton church restoration fund.

Mrs Christine Muxlow, secretary of the fellowship said: "We are very pleased with the response — the stall was cleared by half past twelve. One of the members brought fresh bread down mid-morning time and it just vanished."
