LUNCH HEATING AID

GOSBERTON Methodist Church heating fund moved closer to its target last Tuesday, with a lunch held at the church.

The Rev Peter Robinson said lunches were held every two months, "partly to raise money for the heating fund and partly because the people who come always want to know when the next one is."

The lunches are organised by Mrs Celia Hearth and Mrs Belinda Taylor, and cooked with the co-operation of ladies from the congregation.

Mr Robinson said: "We have to limit the number of tickets we sell now because we have a limit on the amount of space available."

He said last Tuesday's lunch raised between £70 and £80.
