Silver jubilee of George V

GOSBERTON man Chris Clark has brought in this picture of his grandmother and a group of village women at the time of King George V's silver jubilee.

Mr Clark believes his grandmother, Emily Clark (front row, far right) and the group had been busy making tea for a party to celebrate this milestone.

He says the only person still alive on the photograph is the youngster at the front, Jose Fox (nee Sellars), who is now 75 years old.

Although Mr Clark has managed to name most of the women he would be interested in finding out who the remaining people are.

● If you can help write to Mr Clark at Long Acres, 168 Westhorpe Road, Gosberton.
