OLD COPIES of the Lincolnshire Free Press interested members of Gosberton Good Companions' Club at their meeting on Tuesday.

The club meets every other week at 2pm on a Tuesday, going on outings in summer and holding meetings at St Peter's Room, the church hall, in winter.

Mr Arthur White took along copies of newspapers covering the Spalding Flower Parade in the Sixties.

Chairwoman of the club Mrs Joy Berridge said she prefers today's smaller newspaper - and the use of colour photographs of the parade.

Members also play bingo and cards and hold regular auctions to raise money for club funds.

A bus, arranged by transport secretary Mrs Muriel Mitchell, takes members to the meetings.
