

## **Alvaston Parish Church – St. Michael & All Angels**

### **Memorial Garden of remembrance**

The garden exists as an area for the remembrance of loved ones, where cremated remains (or ashes) may be buried. A plaque may be placed to commemorate a person's life. It is designed as a simple, dignified, quiet space intended to be kept attractive and tidy. To this end, real flowers are only allowed in the vases provided in the flower troughs, and no other monuments, or vases are allowed in this area, with the sole exception that for 1 week after burial other flowers will be permitted. For further detail please see the Churchyard regulations of Alvaston Parish Church

The standard fee for burial and or memorial plaque is payable to the PCC St. Michael's Alvaston.

Memorial plaques must be ordered through the PCC and will be mounted on the bricks which run down the centre of the garden. They are 7" x 3" (approx. 180 x 75 mm) Wording can be up to 4 lines with the name in larger lettering and should contain the dates or a date and age. Samples can be seen in the remembrance garden. Please note Other text layouts are possible, wording must be approved.
