### **The Reading Room - a place for women in ministry/leadership to discover and talk about books:**

*20 July 2021, 11am - 'Theology Brewed in an African Pot' by Agbonkhianmeghe E Orbator*

The purpose of the reading room is to build community and learn together. Reading is a beautiful practice and books invite us to explore and to bring into question other worldviews. Our hope is that the reading room will broaden your resource base and creativity in a way that will help you in your own ministry. We recognise that everyone will have their own response to what they read, and we want this to be an activity and community that serves you in your ministry.

Each meeting will last for one hour. For more information, and details on how to join the zoom call, email Jane Day [jday@baptist.org.uk](mailto:jday@baptist.org.uk)

## Advice, Resources & Information

**Advice please - lightning conductors:**

Gillingham Baptist Church are interested in hearing from churches that have recently had upgrades or improvements made to their lightning conductors. We have recently had a survey carried out which indicated we need to expend large amounts of money bringing our lightning conductor up to current standards. We would be keen to hear from other churches who may have gone down this road and who may have found

more cost effective ways to meet the requirements. Contact Stephen on 01634 324275 or email [stephengreasley@btopenworld.com](mailto:stephengreasley@btopenworld.com)
