

## All SEBA Training events

At this present time we will not be taking any booking for safeguarding training.

The training dates already booked for Saturday 25 April at Broadwater Baptist Church and Saturday 16 May at Fleet Baptist Church have both been cancelled; the training for Saturday 6 June (Haywards Heath Baptist Church) and Saturday 27 June (Hawkhurst Baptist Church) are unlikely to go ahead, if it is decided that we will change that decision and go ahead we will share that information in the updates and on the website.

The Core Leaders training booked for April/May at Redhill Baptist Church is cancelled.

We are also cancelling the Training day for mental health and young people on Saturday 25 April at the Eden Centre, Edenbridge.
