Press statement from Churches Together in England

As our nation faces the unprecedented challenge of the coronavirus pandemic, Churches Together in England (CTE) is encouraging Christians across our nations to continue uniting in prayer, praying **#PrayersOfHope** in their homes at 7.00pm each Sunday evening.

Following the overwhelming response which the National Call to Prayer and Action received on Mothering Sunday, CTE has prepared a candle poster for those who would like to place a permanent symbol in their front windows of Christ's light shining in the darkness. Visit www.cte.org.uk/prayersofhope

This poster has been made available due to our awareness of the potential fire risk posed by lighting live candles, particularly on windowsills. We are keen to avoid adding any pressure to our emergency service personnel, particularly at this difficult time.

'The light shines in the darkness, and the darkness has not overcome it.' John 1:5
