SEBA Training

Safeguarding Training:

As a temporary measure (until we are able to return to face-to-face training) the Baptist Union have brought out an Excellence in Safeguarding Update film.

The Safeguarding Update film covers the key points of both Level 2 and Level 3 training and is accompanied by a Resources Pack that you can download as a PDF. It lasts for 90 minutes and there is a break point in the middle.

This film is for everyone. If you have attended one of our training courses before, we hope that you find the film of help as an update and reminder. If you are new this will get you started in understanding Safeguarding in our Churches.

We ask Churches to pay an administration charge of £5 per person. To access this opportunity please let your church administrator/ treasurer know that you wish to undertake this training and they can then send a cheque addressed to 'South Eastern Baptist Association' to Pam Kerley, 58 Henley Meadows, Tenterden, Kent TN30 6EN or pay by BACS to Reliance Bank, Sort Code: 60-01-73 Account number: 00218212 Ref: 'SGT update'

Please then ask your church to email pam.admin@seba-baptist.org.uk your name and your church and your own email address. On receipt of your booking fee and your name and email address Pam will send you the link for the on line training, resource pack and a feedback form, which we need you to complete after you have

watched the training video, and return to Pam so that we can note you have completed the update training, and send you your update certificate.

In addition to the training we will be running optional Question and Answer sessions which will last for 45 minutes and have 6 – 10 participants. This will be done over Zoom. Details of accessing these will be given if you contact Pam to register your interest in this additional Session.

Please do take this opportunity to access the training. The coronavirus pandemic continues to affect us all and we need to ensure that our Churches understand how important Safeguarding is in all the situations we find ourselves in.

Update on First Aid certificates:

Here is the latest from the HSE. They are now suggesting you need to show you are planning for the future - with that in mind, would any churches needing either new, or to renew, First Aid at Work certificates, please contact Pam Kerley (pam.admin@seba-baptist.org.uk) to register their interest in obtaining the training once it becomes available, as we are looking at provisional dates with our trainer (clearly demonstrating the first criteria - as outlined below - if you are relying on the extension from the HSE):

"FAW or EFAW certificates that expired after 16 March 2020 can remain valid until 31 October 2020 or 6 months from date of expiry, whichever is later. All requalification training for these certificates should be completed by 31 March 2021.

To qualify for the extension, employers must be able to demonstrate that:

- 1. they have made every effort to arrange requalification training as soon as possible and can explain in detail why they have not been able to do so. For example, they must show evidence that staff with expired certificates are booked on to EFAW or FAW requalification courses, if requested by an inspector*
- 2. they have adequate and appropriate equipment and facilities to give first aid to any employee who is injured or becomes ill at work*
- 3. the level of first aid cover provided remains appropriate for their particular work environment"*

Emotional Rollercoaster training:

Wednesday 10 February 2021, 10am-1pm

The online training offers therapeutic responses, approaches and activities to explore emotional health - it is especially relevant for supporting children who may be experiencing emotional distress, particularly during this difficult time of lockdown and COVID-19. During our time together will be looking at the following:

- What is emotional health?

- How can we handle big emotions?
- What does effective Emotional First Aid look like?
- How can we learn to reduce stress for ourselves and others?

TLG has over 21 years' experience equipping churches to understand and walk alongside children and families who are struggling with their emotional and mental wellbeing. We have taken this knowledge and turned it into our comprehensive 'The Emotional Rollercoaster' resource to equip your Church to support children in your community during this difficult season.
